

16th October 2025

Dear United Club Members

In response to members' multiple requests, and suggestions, a short questionnaire is printed below that I would ask every member to respond to, within a week.

The challenges facing the United Club are significant and your Committee wish to understand members' collective views.

I must stress that this survey is purely advisory. No proposals have been formulated and future changes, if any, would only be considered in accordance with our Rules.

These ideas could not resolve all of our financial issues but might contribute to our future success.

Please do take the time to respond to members@unitedclubguernsey.com so that we can all identify, collectively, what may be of ongoing benefit to the United Club. Alternatively, please place a hard copy in the President's letter rack.

1a) If "Yes" by how much could we raise the Fee?

1c) Would you prefer to pay your Membership Fee, by Direct Debit, in quarterly instalments?

Yes No

2) Would you agree to admitting ladies as full members?

Yes No

Please give some thought to these questions and send in your answers.

Your responses, that are all of equal weight, will be treated in the strictest confidence; only the number of answers is important.

May I thank you in advance for your participation. I look forward to sharing the results with members in due course.

Yours sincerely

Peter
